

To whom it may concern:

This letter is my personal recommendation for David Akopyan. Until just recently, I have been David's immediate supervisor for 5 months. I find him consistently pleasant, tackling all assignments with dedication.

Besides being a joy to work with, David is a take-charge person who is able to present creative ideas and communicate the benefits.

I highly recommend David for employment. He is a team player and would make a great asset to any organization.

Sincerely,

Aleksandar Radisavljevic
